MEMORANDUM 2996

TO: ABC Boards and ABC Warehouse

FROM: Mike DeSilva
Deputy Commissioner

DATE: May 9, 2025

****ACH Information**:** A spreadsheet containing the suppliers' ACH information is available on the Boards' website under Miscellaneous Information on the homepage. This is a more secure method to share this information. If you have additional suppliers' ACH information not included on this list, please share it with us. When making ACH payments, please remember to send an email with the remittance information, as they need an email to properly apply the payment. Suppliers are added whenever they make the information available to the Commission.

****Remittance Address Reports**:** The Remittance Reports are available only on the Boards' website under Miscellaneous Information on the homepage. Both the Excel spreadsheet and the pdf are available. This is a more secure method to share this information.

****Limited Time Offer (18-, 19-, 20-) Codes**** - Please be aware, 17- codes have been added to the Limited Time Offer code numbers. Often, at the suppliers' requests, Special Order codes change to LTO codes and then may return as Special Order codes. This necessitates using different code numbers. Ask the supplier rep or broker rep if you need assistance.

**** Pricing Reports **** - Pricing is only changed at the suppliers' request and those changes are effective during the next pricing quarter for existing, active products. With recent concerns regarding the tariffs and their impact on pricing, it is possible May pricing may have changed after the pricebook was sent to the printer. You can create price change reports on the public website using this link <https://www.abc.nc.gov/pricing/pricing-reports>. Other reports of

interest are also available on this page. The downloadable Pricing Reports available on the Boards' website are up to date.
