## **OBJECTIVE, PURPOSE & BACKGROUND INFORMATION**

In addition to regular and special financial audits, G.S. 18B-705(a) authorizes the NC ABC Commission to conduct performance audits of all local ABC boards in the state. Performance audits are examinations of existing operating policies, practices, controls, and activities to determine those areas in which there may be a need for improvement.

The audits are designed to ensure that all local ABC Boards comply with established performance standards pursuant to G.S. 18B-203(a)(20). The audit's scope addresses compliance with ABC laws and rules, store appearance, operating efficiency, solvency, and customer service.

To achieve the objectives of the audit, auditors:

- Review applicable General Statutes, ABC Commission Rules, and Administrative Policies
- Review applicable reports and studies of ABC Boards with similar size and geography.
- Verify compliance with Commission and Board policies.
- Verify results of previous performance audit recommendations
- Review ABC Board annual independent financial audits.
- Review ABC Board reporting and documentation reports.
- Visit the store(s)
- Interview key ABC Board personnel.

Sanford ABC is in Sanford NC. Sanford, North Carolina, is the county seat of Lee County and is located in the heart of the state, providing convenient access to the Research Triangle, the Sandhills, and the Piedmont regions. Its central location has made it an important transportation and commercial hub for more than a century, and today it continues to attract residents and businesses seeking a balance between small-town living and access to larger metropolitan areas.

Founded in 1874 at the intersection of two major railroad lines, Sanford developed rapidly as a center for manufacturing, trade, and agriculture. The city's railroad heritage played a significant role in shaping its economy, while abundant natural clay deposits led to the growth of one of the nation's most productive brick manufacturing industries. Sanford earned the nickname "Brick Capital of the USA" because of its long history of producing high-quality brick products used in construction projects across the country. While manufacturing remains an important part of the local economy, the city has diversified over the years to include healthcare, education, retail, advanced manufacturing, and professional services.

Downtown Sanford serves as the cultural and commercial heart of the community. The historic downtown district features beautifully preserved early twentieth-century architecture, locally owned shops, restaurants, breweries, art galleries, and entertainment venues. Community events such as seasonal festivals, concerts, farmers markets, and holiday celebrations help create a welcoming atmosphere and bring residents together throughout the year. The downtown area has experienced significant revitalization, making it a destination for both locals and visitors.

Sanford also offers a variety of recreational opportunities. Numerous city parks provide playgrounds, athletic fields, walking trails, picnic areas, and green spaces for outdoor activities. Golf courses, nearby lakes, and the Deep River offer additional options for fishing, boating, hiking, and nature exploration. The city's parks and recreation programs provide activities for children, adults, and seniors throughout the year. Education is an important component of the community, with public schools serving students throughout Lee County and several opportunities for higher education and workforce development located nearby. Local employers benefit from partnerships that support technical training and career preparation, helping to meet the needs of the region's growing industries.

Housing in Sanford ranges from historic homes in established neighborhoods to new residential developments that continue to accommodate the area's population growth. The city remains attractive to families, retirees, and professionals looking for more affordable housing while maintaining reasonable commuting distances to Raleigh, Cary, Southern Pines, Fayetteville, and surrounding communities. Sanford's economy continues to expand through new residential, commercial, and industrial development. Its strategic location along major highways, available workforce, and business-friendly environment have attracted both national and international companies. Despite this growth, the city has maintained much of its traditional character, offering residents a strong sense of community, a rich historical heritage, and an appealing quality of life.

The general manager is responsible for the oversight of all daily operations, human resource organization and other administrative decisions for the board. The board hired an external accountant who assists the annual audit and provides additional support. All store employees' primary responsibility is to provide friendly customer service to all customers, store upkeep and stock maintenance.

A referendum was held on March 2, 1961, and it passed. *Currently, the Sanford ABC Board has a chairperson, currently four board members, and a general manager on the ABC board.* The Sanford ABC Board currently operates three retail stores. The board staff (40) total personnel. These include (18) full-time employees and (22) part-time personnel. The general manager is responsible for daily store operations including supervising personnel, inventory management, and various retail functions. The GM provides the board with fiscal management, administrative support, and oversees routine operations of the ABC store. Sales associate responsibilities include selling products, daily stocking, and floor upkeep & maintenance.

*The last performance audit for the Sanford ABC Board occurred in 2024.* The Commission audit serves as a continuous way to provide local boards with information and best practices that target areas for improvement.

## DISTRIBUTIONS

---

G.S. 18B-805 (b) requires the board to pay from gross receipts, all expenses, excise, and rehabilitation taxes. G.S. 18B-805(c)(2) requires the board to *typically* distribute at least five percent (5%) of applicable gross receipts to law enforcement and *typically* at least seven percent (7%) for alcohol education. *Before assigning these percentage distributions, G.S. 18B-805(c)(1) requires the board to first make a minimum quarterly distribution of the 3.5% markup & relevant bottle charges to certain county/municipal recipients. Some of these distribution percentages are designated by an official local enabling act (and thus distribution requirements and recipients are subject to vary).* Sanford ABC made a total of \$2,703,650 in primary distributions and other taxes were paid to the NC Department of Revenue (NCDOR), NC Department of Health & Human Services (NCDHHS), and the county commissioners of Lee County.

*Per the local enabling act, the distribution formula for recipients of net profits is as follows:*

- 50% to Sanford General Fund
- 50% to Lee County General Fund

## WORKING CAPITAL

---

- G.S. 18B-805(d) allows the board to set aside a portion of the remaining gross receipts, within the limits set by the rules of the Commission, as cash to operate the ABC system.
  - NCAC 15A .0902 sets a working capital maximum standard for boards with annual gross sales more than \$1.5M as an amount equal to three (3) months of gross sales.
  - G.S. 18B-702(g)(3) defines "Working Capital" as the total of cash, investments, and inventory less all unsecured liabilities. As it pertains to working capital computation, gross sales mean gross receipts from the sale of alcoholic beverages less distributions as defined in G.S. 18B-805(b)(2), (3), and (4).
- Based upon the existing rules, as of June 30, 2025, the Sanford ABC Board is required to maintain a minimum working capital of \$350,618 with a maximum working capital amount of \$2,279,020.
  - The Sanford ABC Board had a working capital balance of \$1,234,341 which is more than the minimum and less than the maximum Commission requirements for this section (\*).

## \* FY 2024-2025: *Working Capital (WC)*graphic

MIN

MAX

Under 18B-805(d), with approval of the appointing authority for the board, the local board may set aside a portion of the remaining gross receipts as a fund for specific capital improvements whenever working capital is exceeded.

### ➤ STATUTORY DISTRIBUTIONS:

- Net Profit Distributions - The Sanford ABC Board has routinely made the minimum mandatory distributions to the designated recipients over the last three years referencing NCGS 18B-805(c)(1). *Board should obtain and provide to the Commission official documentation from the appointing authority before making distributions which are less than the minimum. The GM advises he intends to have serious discussions with the local authority regarding this item. The Sanford ABC local enabling act is unique for the ABC Board ..... where net profit is "50 / 50" to City & County, part of this would involve ensuring the County is also acceptable with receiving distributions at less than 50% of minimum calculation.*

**The table below references distributions calculated by CPA on the left and total net profit distributions made by the ABC Board for the last three (3) years on the right. An explanation is documented in the Recommended Actions Section.**

- Law Enforcement Distributions: Have been properly disbursed at or above the regular 5% statute amount over the last three (3) fiscal years.
- Alcohol Education Distributions: Have been disbursed at or above the standard 7% statute amount of the last three (3) years.

## ADDITIONAL CONSIDERATIONS & GUIDANCE ....

---

- The Commission's primary focus for ABC board members:
- ABC board members are highly encouraged to meet monthly for the best formal oversight and review of board operations, routinely recording meeting minutes (*adhering to closed meeting requirements where applicable*) and ensuring either no conflicts of interest are present or that they are addressed appropriately when presented. Monthly sales should be reported to the Commission at beginning of next month, providing annual budgets, budget amendments, miscellaneous financial reporting to Commission following timelines, and ensuring Commission has annual CPA audits by Sept 30<sup>th</sup>.
- ABC boards are highly encouraged to keep term begin dates & term end dates updated on the Commission's board login website for all ABC board members and other information such as store hour changes, pictures, email updates, etc. *Moreover, liaising with the Commission when new members are appointed or when member resign early before term has ended is very important for recordkeeping efforts of the Commission.*
- ABC boards are highly encouraged to find straightforward ways to lower any recurring expenses. *A very tangible way to lower operating costs is to fully maximize monthly special purchase allowance (SPA) liquor products that routinely sell well in the store to lower cost of goods sold (COGS).* ABC Boards can limit the number of personnel travelling to conference and convention events across the state. Other ways to try to improve expenses include requesting bids annually from various vendors to get the best rates possible on financial audits, various utilities, maintenance contracts, and *credit card processing companies*.
- ABC boards are encouraged to closely review financial statements monthly, comparing with the annual budget forecast, approving budget amendments when necessary and submitting copies to the Commission for anticipated sales increases as well as other adjustments for budgeted accounts.
- Cross training opportunities for personnel should be maximized to ensure solid continuity of operations occurs for ABC boards. Also, training opportunities can work well to develop store employees for increased responsibility roles and serving to make both the routine operations and employee morale stronger.
- NCAC Rule 15A .1701 requires quarterly reports be submitted for any unsaleable merchandise (breakage) and retain original copies for three (3) years. *All breakage reports should only be transmitted via email submission to Commission staff; copies should not be mailed.*
- As a reminder, remove all faded posters and replace with new ones when applicable. Reach out to the Commission to provide fetal alcohol syndrome posters, NC Dept of Labor can provide wage & hour posters, and OSHA can provide some applicable federal posters if any are needed.
- ABC boards can explore additional training opportunities periodically available through the ABC Commission as well as partnering with other ABC boards on specific areas such as best retail and marketing practices.
