**RECYCLING COMPLIANCE FORM
(Private Hauler or Government Pick Up)**

North Carolina General Statute 18B-902 requires applicants for on-premises malt beverage permits, on-premises unfortified wine permits, on-premises fortified wine permits or mixed beverages permits to prepare and submit with the application packet a plan for the collection and recycling of all recyclable beverage containers for all beverages sold for consumption on the licensed premises. This form must be completed by a business when a private hauler or a city/county (government) will pick up the required containers for recycling. If a recycling program is not available within your City/County, you may obtain an Exemption Request Form by contacting the ABC Commission and speaking to a Permit Specialist at (919) 948-7941.
